LB 941

SPEAKER NICHOL: Well we will try to hold it within that very closely, Senator Higgins. Senator Marsh.

SENATOR MARSH: I wanted to clarify it. It is my understanding that there at least would be a vote up or down so that we could take one quick, fast vote.

SPEAKER NICHOL: That is correct, however, you could still mess it up with motions and so forth, but I think the sponsors of the bill are prepared. Okay? Thank you.

SENATOR HIGGINS: Thank you, Mr. Speaker.

SPEAKER NICHOL: 941.

CLERK: Mr. President, 941 was a bill offered by Senator Kahle and Pirsch. (Title read.) It was introduced on January 10. It was referred to the Revenue Committee. It was last considered by the Legislature, Mr. President, on March 14. At that time the committee amendments by the Revenue Committee were adopted. A motion to the bill to advance failed. I now have pending, Mr. President, amendments from Senator Kahle. Senator Kahle, your amendments are on page 1615 of the Journal.

SPEAKER NICHOL: Senator Kahle.

SENATOR KAHLE: We want to withdraw those.

SPEAKER NICHOL: They are withdrawn.

CLERK: The next motion I have to the bill is by Senator Pirsch. Senator Pirsch would move to suspend Rule 6, Sec. 3 and Rule 7, Sec. 3 and vote without further debate and without further amendment on advancement of LB 941.

SPEAKER NICHOL: Senator Pirsch.

SENATOR PIRSCH: Thank you, Mr. Speaker. Members of the body, I realize this is controversial. We have discussed this on other occasions.
